## GENERAL POLICIES

1. Procedures shall be in effect to prevent any conflict of interest. Employees must not print or issue food instruments for family/household members. See the Administrative Reference (AR), VOLUME I, SECTION: PERSONNEL and, the [“WIC CERTIFICATION AND MANAGEMENT”](#) section.
2. Participants who move out of the geographic area served by the agency/site are eligible to continue their certification period and receive food instruments at their new agency/site. See “WIC CERTIFICATION AND MANAGEMENT SECTION”, [“TRANSFER/VOC”](#).
3. Each site must have an adequate supply of food instruments (see definition of food instruments below) to serve the caseload. Security and accountability for all food instruments and stamps shall be ensured. See [“INVENTORY AND SECURITY REQUIREMENTS”](#) in this section.
4. Agencies/sites shall schedule issuance to serve their caseload in a timely manner. Appointments to pick up food instruments must be scheduled so there is no lapse in benefits and should be coordinated with other services when possible. Appointments must comply with the ADMINISTRATIVE REFERENCE, VOLUME I, SECTION: LHD OPERATIONS, [“APPOINTMENT AND SCHEDULING REQUIREMENTS FOR PERSONAL HEALTH SERVICES.”](#) Refer to Certification and Management Section, [“WIC PROCESSING STANDARDS AND SCHEDULING”](#) and [“CASELOAD MANAGEMENT.”](#)
5. Participants shall receive WIC foods free of charge.
6. A food package must be prescribed for each participant by a health professional, and must be appropriate for the person’s status, age and nutritional need. See CLINICAL SECTION, WIC Policies for Prescribing Food Packages.
7. Only foods approved by the State WIC Office shall be issued. Approved foods are organized into food packages. See CLINICAL SECTION, Food Package by Status.
8. Food instruments shall be issued only for persons determined eligible and certified for the Program.
9. All persons must receive food instruments at the time of certification, except the exclusively breastfed baby and the partially breastfeeding woman who after six (6) months postpartum has requested more than the maximum amount of formula for a partially breastfeeding infant. For new persons added to WIC, benefits shall not be retroactive.
10. Eligible persons receive a food package for each month of eligibility in their certification period provided all Program rules are met. A maximum of three (3) months may be issued at one time.
11. Participants/caretakers or their proxy shall personally pick up food instruments unless situations exist that justify mailing food instruments. See [“ISSUANCE TO PROXIES”](#) and [“MAILING FOOD INSTRUMENTS”](#) in this section.
12. Issuance must be clearly documented in the participant’s medical record at the time of issuance. Documentation must be reviewed prior to subsequent issuance. Refer to [“FOOD INSTRUMENT”](#) in this section.
13. Participants/caretakers must be provided instructions on the proper use of food instruments; that food instruments can only be redeemed at authorized stores, and provided the approved Food List and a list of current authorized stores. Participants cannot be encouraged to shop at any specific store.
14. When a participant becomes status ineligible, the participant is eligible to receive all food instruments with a “first day to use” prior to the date of ineligibility.

15. Participants that fail to pick up food instruments for two (2) consecutive months are considered dropouts and are terminated from the Program. See ["WIC CERTIFICATION AND MANAGEMENT,"](#) ["INELIGIBILITY AND DISCONTINUATION OF BENEFITS"](#) and ["DROPOUT/NONPARTICIPATION."](#)
16. Participants shall not be denied WIC foods or food instruments for failure to attend or participate in nutrition education and/or other health services offered by the agency.
17. Food instruments that are replaced shall replicate the issue month and issue day of the original food instruments. See ["REPLACING FOOD INSTRUMENTS"](#) and ["LOST, STOLEN AND DESTROYED FOOD INSTRUMENTS"](#) in this section.

**NOTE: FOOD INSTRUMENTS ARE DEFINED IN 7 CFR PART 246 AS A VOUCHER, CHECK, ELECTRONIC BENEFITS TRANSFER CARD OR ANY OTHER DOCUMENT WHICH IS USED BY A PARTICIPANT TO OBTAIN SUPPLEMENTAL FOODS.**

## **SECURITY**

### **A. Web-Based Programs/Applications**

1. Web-based programs/applications are secure and are only accessible by authorized persons.
2. In order to receive access to the programs/applications, a person must be authorized by the appointed person at the local health department, Local Health Operations and CDP. See the procedures and forms on the Local Health website.
3. Web-based programs/applications include:
  - a. CMS (Clinic Management System);
  - b. eWIC (Electronic Benefits Transfer);
  - c. Breastfeeding Peer Counselor; and
  - d. Revalidation.

### **B. E-Reports**

1. Reports are accessible only by authorized personnel.
2. In order to receive access to the programs/applications, a person must be authorized by the appointed person at the local health department, Local Health Operations and CDP. See the procedures and forms on the Local Health website.

### **C. Users will be deleted from web-based programs and applications after 60 days of non-use.**

## DUAL ENROLLMENT/PARTICIPATION

A person must not be enrolled/participating in more than one (1) WIC site at the same time (either in-state or out-of-state) nor in WIC and CSFP at the same time. In order to prevent dual enrollment/participation, the system performs a statewide search based on certain data to see if the person is enrolled and/or receiving food instruments in another agency/site. When data entered at a site is the same as information in another site, this is a “match.” If there is a match on last name, first name, sex and date of birth an error message will be received. Each match must be reviewed to determine if it is the same person; there may be “false matches,” i.e., same pseudo numbers, ID number entered wrong.

1. The system performs the check for dual enrollment/participation between WIC Sites:
  - a. At the time a certification appointment is made;
  - b. At the time a certification is indicated as an anticipated service; and
  - c. At the time the issuance is requested.
2. If there is a match, determine if the match is the same person.
  - a. If not, continue certification, enrollment, and/or food instrument issuance.
  - b. If the match is the same person determine where the person(s) should be enrolled/participating. See Certification and Management, WIC ELIGIBILITY REQUIREMENTS,
3. If actual Dual Participation between WIC sites (either in state or out-of-state) has been determined, see WIC CERTIFICATION AND MANAGEMENT, [“PARTICIPANT ABUSE”](#) for appropriate procedures.
4. The system performs the check for dual enrollment/participation between WIC Sites and the Commodity Supplemental Food Program (CSFP) when a participant’s data is received from CSFP.
  - a. A report, [“Possible Dual Participation Between the WIC Program and CSFP”](#) is produced which lists potential dual participants between WIC and CSFP.
  - b. The report is to be reviewed. Possible dual participants are to be investigated and if dual participation is determined, see WIC CERTIFICATION AND MANAGEMENT, [“PARTICIPANT ABUSE”](#) for appropriate procedures.

## INVENTORY AND SECURITY REQUIREMENTS

### A. General Policies

1. Security and accountability for all food instruments (handwritten food instruments and eWIC cards), agency stamps, void stamps, revalidation stamps, and returned formula shall be ensured.
2. Every food instrument has a unique serial number and is tracked in the system from the time it is assigned to a specific agency/site. All food instruments must be recorded as issued or voided. Each issued food instrument number is assigned to a specific participant and must be the number given to that participant.
3. Agency stamps, void stamps and revalidation stamps are provided by the State WIC Office. These are the authorized stamps and are the only stamps to be used for WIC food instruments.
4. Handwritten food instruments that are no longer usable are to be voided and sent to the State WIC Office. Refer to VOIDING in this section.

### B. Stamps

1. Each agency must have a revalidation stamp for handwritten food instruments. Each site must have an agency stamp and a void stamp. Stamps are available from the State WIC Office.
2. Agency and revalidation stamps must be kept in a locked area to ensure that access is limited to authorized personnel.
  - a. Revalidation stamps and handwritten food instruments are to be locked in separate places.
  - b. Agency stamps must be stored separately from food instruments.

### C. Food instruments

1. Receipt of food instruments from the State WIC Office must be verified immediately. See "ORDERING AND RECEIPT OF FOOD INSTRUMENTS" in this section.
2. A physical inventory must be made of all, food instruments monthly:
  - a. A person other than the person(s) that issue food instruments must do the inventory.
  - b. Any method which reflects the actual number of food instruments on hand from the last month plus additional food instruments received during the current month minus all food instruments issued during the current month is acceptable. Account for all food instruments during this inventory by verifying that food instruments on hand match the FI Range Search.
  - c. The actual number on hand for each type of food instrument, the name and signature of the person who did the physical count and date of verification must be maintained. All food instruments must be accounted for during this inventory. Documentation of inventory must be retained for one (1) year. A suggested inventory format is provided in "FORMS AND FOOD INSTRUMENTS" in this section.
  - d. Discrepancies must be reported to the State WIC Office as soon as possible.
3. Issuance shall be performed accurately and all required information must be recorded at the time of issuance. Handwritten food instruments cannot be completed in advance and held for later issuance. Benefits issued through eWIC cannot be issued in advance.

4. Handwritten food instruments must be issued in a consecutive manner starting with the lowest number available and proceeding to the highest number.
5. Handwritten food instruments must not be pre-stamped with the agency stamp.
6. Handwritten food instrument issuance must be posted as soon as the system is available, but must not exceed one (1) week.

D. eWIC cards

1. Inventory

- a. A site inventory shall be established for the clinic.
- b. Cards must be kept in a locked room or file cabinet.
- c. Site inventory must be tracked.
- d. Cards received in a shipment must be logged received.
  - Cards issued out to card issuers must be logged.
  - Cards removed from inventory for other reasons must be logged.
- e. When cards are received, count and bundle into stacks of 20.
- f. Site inventory totals and counts must be made once a month.
- g. Establish a minimum amount for reorder.
- h. One person that does not issue cards must be responsible for site inventory, with a back-up person designated.

2. Card Issuers

- a. Each card issuer (or issuance location) must maintain a box of cards.
- b. Cards will be provided to card issuers from the site inventory with the total number of cards issued logged into the spreadsheet.
- c. Cards for issuers shall be maintained in a box, ideally a small lock box.
- d. Card boxes must be secured or returned to the site inventory location at the end of each day or end of issuance.
- e. Cards should be allocated to issuers in a quantity for up to a maximum of one week.
- f. Cards should remain bundled in stacks of 20 to facilitate using in order.

E. Returned Formula

1. Formula that is no longer appropriate for participant use must be returned to the site.
2. Returned formula must be inventoried. Refer to [Returned Formula Requirements](#) in this section.

.

## FOOD INSTRUMENTS TYPES AND USE

There are two (2) types of food instruments that may be issued to participants (See [“FORMS AND FOOD INSTRUMENTS”](#) in this section):

1. Handwritten food instruments contain appropriate approved foods for the participant status. All information including the food package quantities must be completed by hand at the time of issuance. These food instruments are used only during disaster situations or when a special formula is needed that is not in the APL. (Approved Product List). All sites must have handwritten food instruments. There are three (3) handwritten food instruments for:
  - Formula
  - Woman/Child
  - CVB ( cash value benefit)
2. eWIC card is the EBT card which when utilized with the secure PIN allows the WIC participant to redeem the food items in the food package which have been prescribed by the health professional.

## ORDERING AND RECEIPT

### A. Ordering

1. **New clinic site:** Appropriate amounts of handwritten food instruments and eWIC cards will be supplied based upon the anticipated number of participants. Contact the State WIC Office for assistance in determining amounts.
2. **Established clinic site:** Agencies/sites are responsible for maintaining an adequate inventory of food instruments.
3. When necessary, handwritten food instruments may be ordered using the food instrument order form. The order should be no more than an estimated three (3) month supply.

### B. Receipt of Handwritten Food Instruments

1. Immediately upon receipt: Compare numbers on the Food Instrument Range with serial numbers of food instruments received. See the CMS Manual.
  - a. If correct, electronically acknowledge receipt of the food instruments. This must be done before any issuance from that series of food instrument/cash value benefit can be posted.
  - b. If the serial numbers and food instruments do not agree, contact the WIC Help Desk for further instructions.
2. All handwritten food instruments must be stored in a secure, locked area that is separate from the agency stamps.
3. Food instrument security must be ensured. See ["INVENTORY AND SECURITY REQUIREMENTS"](#) in this section.

### C. Receipt of EBT cards

1. Immediately upon receipt: Compare numbers on the Food Instrument Order Form. With serial numbers on eWIC cards received. If the serial numbers on your order form and actual numbers on your cards do not agree, contact the WIC Help Desk for further instructions.
2. If correct, electronically acknowledge receipt. This must be done before any issuance from that series can be posted.
3. If the serial numbers and eWIC cards do not agree, contact the WIC Help Desk for further instructions.

## ASSIGNING ISSUE DATES

### A. General Policies

1. All eligible persons must be assigned an issue date.
2. All household members must be placed on the same issue date so issuance can be done for all members at the same time. Refer to [Putting Household Members on the Same Issuance](#).
3. The assigned issue date is the date desired for the first full food package.
4. An issue day of 29, 30, or 31 can be used first issuance. These dates are then automatically changed by the system to an issue date of 28. This change is made since all months have at least 28 days and to accommodate issuance in all months.
5. When a member is added to the household and issue dates are being coordinated with the existing members the system issues a partial food package to catch up the household member being added. The system calculates the number of days and issues the appropriate food quantities. Refer to [Putting Household Members on the Same Issuance](#) and [Partial and Reduced Issuance](#).
6. The issue date remains the same through the household's continuous participation in WIC. For late pick up of food instruments, the system calculates the appropriate food quantities. Refer to [Partial and Reduced Issuance](#).

### B. Assigning Issue Dates

1. Issue Date For A New Household
  - a. The issue date for a new household is usually the date the person is added to WIC.
  - b. If there are other household members on WIC, issue dates must be the same. See [Putting Household Members on the Same Issuance](#).
2. Issue Date For A Transfer/VOC
  - a. The issue date for a transfer from another Kentucky WIC clinic is the existing issue date from the previous agency/site unless coordination with a new household applies. See [Putting Household Members on the Same Issuance](#). Also refer to [WIC Certification and Management, Transfer/VOC](#).
  - b. Using the existing issue date for a transfer may result in issuance of a partial food package to catch up issuance for the participant. The system calculates the number of days and issues the appropriate food instruments and food quantity. Refer to [Partial and Reduced Issuance](#).
  - c. The issue date for a transfer from out-of-state is the date the person is added at your site. If coordination with other household members applies, see [Putting Household Members on the Same Issuance](#). Also refer to [WIC Certification and Management, Transfer/VOC](#).
3. Issue Date for Exclusively/Partially Breastfed Infants
  - a. The issue data is the same as the rest of the members of the household.

4. Issue Date for Partially Breastfeeding Woman Beyond 6 Months Postpartum

A partially breastfeeding woman who continues to breastfeed after 6 months postpartum and has requested more than the maximum amount of formula allowed for a partially breastfed infant will have the same issue date as the rest of the household.

5. Issue Date for Reinstatement

- a. The issue date for a person being reinstated to WIC is their existing issue date.
- b. Using the existing issue date for a reinstatement may result in issuance of a partial food package to catch up issuance for the participant. The system calculates the number of days and prints the appropriate food instruments and food quantity. Refer to [Partial and Reduced Issuance](#).

## **PUTTING HOUSEHOLD MEMBERS ON THE SAME ISSUANCE**

When an infant is born, persons join a household or additional household members qualify for benefits, issue dates within a household **MUST** be the same.

### **A. Initial Certification**

1. Pull the medical record(s) to review the issue date for the household.
2. Assign the new member to the household the same issue date as the household member(s) already on the Program.
3. A partially breastfeeding woman who continues to breastfeed after 6 months postpartum and has requested more than the maximum amount of formula allowed for a partially breastfed infant will have the same issue dates as the rest of the household.
4. Request at least two (2) months of food instruments. The first month is the appropriate quantity for the number of days to the full issuance and the second month is a full package. The appropriate amount of food will be calculated in the system to catch up the new participant to the other household member(s) full issuance date.
  - a. The initial food package for a woman, child or infant will be provided as outlined in the section Partial and Reduced Issuance.
  - b. If handwritten food instruments are issued, issue the number of food instruments for the appropriate food package according to the number of days from the issue date (see Partial and Reduced Issuance). The food distribution for the food package must be replicated. See the CLINICAL SECTION, Food Package Distribution Charts.
  - c. The system will issue the entire food package to the breastfed infant receiving supplemental formula and the infant and woman or child receiving only cereal and juice.

## PARTIAL AND REDUCED ISSUANCE

### A. General Policies

1. A participant's assigned issue date, the actual date and status of issuance determines the quantity of food that the person receives.
2. The participant's assigned issue date remains the same through continuous participation in WIC. Refer to Assigning Issue Dates in this section.
3. In order to issue an appropriate quantity of food, adjustments will be made by the system in the quantity of supplemental food issued. The system will issue a reduced or partial food package for the following:
  - a. To catch up a household member with another household member on WIC to coordinate issue dates.
  - b. Late pick up/issuance of food instruments.
4. The system calculates the number of days for the issuance and issues the appropriate food quantity.
5. If handwritten food instruments are issued, the issuance must replicate the reduced issuance food quantity, and must be done as the food distribution appears in the Clinical Section, Food Package Distribution Charts.
6. An issuance label is generated for placement in the participant's medical record when food benefits are issued through eWIC and will indicate if a partial package is issued. For handwritten food instruments, a handwritten entry must be made in the medical record.

### B. Partial and Reduced Issuance Calculation

1. The quantity of food is reduced based on the number of days until the next issue date and the status of participant.
2. The following are the number of days and the quantity of food. See the food distribution which appears in the Clinical Section, Food Package Distribution Charts. The chart also indicates the number of handwritten food instruments issued. The issuance is in accordance with the category of participant for partial or catch up issuance, and reduced packages for late pick up:
  - a. Infants

| Number of Days to the<br>First Full Package<br>Issue Month/Day/Year | System will Issue/Issue                 |
|---|---|
| 16 days or more<br>15 days or less                                  | Full issuance<br>Food Instruments 1 & 2 |

- b. Women and Children Receiving Three (3) Food instruments ( according to the distribution chart)

| Number of Days to the First Full Package Issue Month/Day/Year | System Will Issue/Issue                  |
|---|--|
| 16 days or more<br>15 days or less                            | Full issuance<br>Food Instruments 1 & 3* |

- c. Women and Children Receiving Four (4) Food instruments ( according to the distribution chart)

| Number of Days to the First Full Package Issue Month/Day/Year | System Will Issue/Issue  |
|---|--|
| 16 days or more<br>15 days through 9 days<br>8 days or less   | Full issuance<br>Food Instruments 1, 2 & 4*<br>Food Instruments 1 & 4* |

\*Cash Value Benefit

3. Issuance is not reduced for the breastfed infant receiving supplemental formula. The complete food package is issued.

## FOOD INSTRUMENT ISSUANCE

### A. General Policies

1. Food instruments shall be issued only for persons determined eligible and certified for the Program.
2. Proof of identity of the person picking up food instruments must be presented and documented at issuance. Documentation of identity at issuance is entered into the system. The proof will print on the issuance label which is placed in the medical record. See WIC CERTIFICATION AND MANAGEMENT section, [“WIC ELIGIBILITY REQUIREMENTS”](#). For handwritten food instruments, the proof code must be written on the stub.
3. All eligible persons must be assigned an issuance date and all household members must be placed on the same date. This date remains the same through the person’s continuous participation in WIC. See [“PUTTING HOUSEHOLD MEMBERS ON THE SAME ISSUANCE”](#), and [ASSIGNING ISSUE DATES](#) in this section.
4. Eligible persons may receive a food package for each month of eligibility in their certification period provided all Program rules are met. At issuance, a participant may receive a maximum of three (3) full month’s packages or a combination of one (1) partial package and up to two (2) full packages at one time. A partial package is issued to coordinate/catch up household members so all household members have the same issue date.
5. Handwritten food instruments must have a “first day to use” and a “last day to use” and are good for a maximum of a month. For a participant’s first month of issuance, less than a month may be issued to coordinate household members. See [“PUTTING HOUSEHOLD MEMBERS ON THE SAME ISSUANCE”](#) in this section.
6. If the system is down or slow, participants in clinic shall be provided a minimum of one (1) month handwritten food instruments. All handwritten issuance must be entered into the system by the end of the day or when system access is available.
7. Food instruments must not be issued or handwritten in advance of the household’s appointment and held for later issuance.
8. Food instruments shall not be withheld in order to provide other services.
9. Participants coming to clinic late to pick up food instruments may receive a reduced food package. See [Partial and Reduced Issuance](#).
10. Issuance must be documented in the person’s medical record at the time of issuance and must include the months issued. For eWIC issuance, the system generates a label for placement in the chart. See [“ON-LINE PRODUCED LABELS.”](#)
11. Documentation must be reviewed to determine if issuance is appropriate and is not being duplicated before subsequent issuance.
12. Each participant/caretaker/proxy shall sign for receipt of food instruments.
  - a. Handwritten food instruments are signed on the food instrument stub. The stub must be placed in the medical record on the WIC Issuance sheet (WIC-52). See [“ISSUANCE TO PROXIES”](#) and [“FORMS AND FOOD INSTRUMENTS”](#) in this section.
  - b. The PIN is the electronic signature for eWIC.

B. Food Package Issuance Policies

1. Types and quantities of foods are organized into food packages with a code for each package. This code is entered in the system and indicates an entire food package prescription and distribution of foods for handwritten food instruments.
2. Food packages must be prescribed by a health professional. See the CLINICAL SECTION, WIC POLICIES FOR PRESCRIBING FOOD PACKAGES.
3. The prescribed food package must be appropriate for the age and status of the participant. See the CLINICAL SECTION, FOOD PACKAGE BY STATUS.
4. Infants must receive a standard contract brand formula package unless there is a documented medical reason. See the CLINICAL SECTION, WIC POLICIES FOR PRESCRIBING FOOD PACKAGES.
5. Infant packages are age appropriate. The system automatically adjusts the package for the infant's age based upon date of birth, first full package issue month/date and status:
  1. Up to 6 months of age, formula only is issued;
  2. Formula is increased/decreased;
  3. At 6 months of age, infant cereal, infant fruits and vegetables;
  4. **Food instruments with a first day to use before the infant turns 1 must be issued as an infant package. This package must be issued.**
  5. At 12 months of age, food instruments issued with a first day to use after age 1 must be a child food package. This change is made in a recertification or an Infant/Child Transfer (ICT). Refer to WIC CERTIFICATION AND MANAGEMENT, "STATUS AND PRIORITY" and SCREENS, WIC ICT SCREEN.
6. A fully breastfed infant is prescribed a BF1 package.
7. For all participants:
  - a. Enter identity proof code for person picking up food instruments. See PROOF CODES FOR IDENTITY in this section.
  - b. Verify the serial number on the food instrument is the same as the number on the screen.
  - c. Verify the proper number of months and the proper food package was issued.
8. An issuance label will be generated to be placed on the participant's CH-3. If the label does not print, it can be reprinted through CDP Report Viewer.

B. Handwritten Food instrument Issuance (See "FORMS AND FOOD INSTRUMENTS" in this section.)

1. Remove the required number of food instruments from locked storage.
2. Complete the handwritten food instruments as follows:
  - a. Enter participant's name.
  - b. Enter Agency No. And Site No.
  - c. Using the issue date.
  - d. Stamp designated area on each food instrument/cash value benefit with WIC agency stamp.
3. Enter the foods on each handwritten food instrument as the food prescription/distribution appears in the CLINICAL SECTION, WIC, FOOD PACKAGE DISTRIBUTION CHARTS.

4. Complete the stub for the handwritten food instruments as follows:
  - a. Date of Issuance.
  - b. Participant's Name.
  - c. Participant's I.D. Number.
  - d. "First Day to Use" and "Last Day to Use."
  - e. Issuer's Initials.
  - f. ID for FI PU proof code.
5. Obtain signature of person that is receiving the food instruments on the stub.
6. Attach the stub to the WIC Issuance sheet (WIC-52) in the participant's medical record.
7. Keep the NCR copy of the stub and use for posting the required information into the system by the end of the day, if the system is up. Otherwise post at the time the system is operational.
8. To post handwritten food instruments use the following procedures:
  - a. On Portal, click FI/Card Range Search.
  - b. On Food Instrument Ranges, select clinic from the dropdown if not set, select bank account number from the dropdown, and click Search.
  - c. Search results return at bottom of page. Click the edit icon (pencil and paper) for the food instrument range.
  - d. Food Instrument Block Detail page returns. To find a specific food instrument number, search for a specific number by entering the FI number in the Starting FI field and click Search, or click Search for Next Open FI, or scroll through the list of numbers.
  - e. In Status/Action column for the specific food instrument number, click the dropdown and select Issued.
  - f. Enter Patient ID number in Patient # field.
  - g. Enter First and Last Valid Date.
  - h. Click Save.
  - i. If information is accepted, a "Saved" message appears at the bottom of the page. A green check also appears at the end of the row.
9. When issuance is posted to the FI/Card Range Search screen, fill in the NCR copy of the stub as follows:
  - a. Date posted
  - b. Initials of person posting issuance
12. Retain NCR copy of the stub for six (6) months, then destroy.

## ISSUANCE TO PROXIES

Proxies are allowed to pick up food instruments with authorization from the participant or parent/caretaker. See WIC CERTIFICATION AND MANAGEMENT, [“USE OF PROXIES”](#)

1. In order to issue to a proxy, a properly completed WIC Authorization form must be in the Medical record. See Proxies in the Certification and Management Section.
2. Names of persons authorized as proxies may be recorded on the eWIC cardholder. See WIC CERTIFICATION AND MANAGEMENT Section, [“FORMS AND SUPPORTING INFORMATION”](#).
3. Proxies must present proof of identity at issuance of food instruments, and the type of proof must be documented. See [“FOOD INSTRUMENT/CASH VALUE BENEFIT ISSUANCE”](#) in this section.
4. Proxies must sign the stub(s) for receipt of handwritten food instruments.

## REPLACING

### A. General Policies

1. Food instruments may be replaced for:
  - a. A food package or formula change.
  - b. Food instruments damaged or destroyed. See [“LOST, STOLEN AND DESTROYED FOOD INSTRUMENTS”](#) in this section.
  - c. Food instruments lost or stolen. See [“LOST, STOLEN AND DESTROYED FOOD INSTRUMENTS”](#) in this section.
  - d. Other situations that affect the participant receiving the issued food, such as a change in a child’s custody; i.e., mother’s custody to father’s, move of infant/child to foster care.
2. Formula that was purchased with and is no longer appropriate for the participant must be returned to the site. An inventory of returned formula must be maintained. Refer to Returned Formula Requirements in this section.
3. Replacement issuance shall replicate the issue month and issue date. All replacement issuance must be documented in the participant medical record.
4. For Handwritten food instruments: Review to determine if food instrument has been cashed.
  - a. Handwritten food instruments that are not usable must be returned to the site, if possible.
  - b. Handwritten food instruments may be unusable because the food package or formula is no longer appropriate or they have been damaged.
5. See the CMS Manual for Replacing a Food Package with the Same Food Package and Replacing a Food Package with a Different Food Package.

### B. Replacing for Formula Changes

1. The system will not issue replacement food for an infant food package after the infant status has turned one year of age. The benefits must be replaced with handwritten food instruments in this situation. Refer to [CERTIFICATION AND MANAGEMENT, STATUS AND PRIORITY, INFANT/CHILD TRANSFER](#).
2. Only unused formula is returned:
  - a. Document on the CH-3A in the participant’s medical record that formula was returned, the quantity returned, and the reason for return.
  - b. A health professional must prescribe the food package for a formula change. Refer to WIC Policies for Prescribing Food Packages, Policy Regarding the Return and Re-issuance of Formula for Infants and Food Package III and Formula Package Codes by Company in the Clinical Section.
  - c. If the replacement is done on a day other than the original issuance, report an issuance code of WO209.
  - d. The system will automatically calculate the appropriate quantity of formula to be issued.
3. Unused formula and/or unused food instruments are returned:
  - a. Document on the CH-3A in the participant’s medical record the quantity of returned formula and unredeemed foods or unused handwritten food instruments, and the reason for return.
  - b. Void all the unredeemed formula or unredeemed handwritten food instruments. Document the reason for the void.
  - c. A health professional must prescribe the food package for a formula change. Refer to WIC Policies for Prescribing Food Packages, Policy Regarding the Return and Reissuance of Formula for Infants and Food Package III in the WIC Clinical Section.

- d. If the replacement is done on a day other than the original issuance, report an issuance code of WO209 on the Encounter Entry Screen.
- e. The system will automatically calculate the appropriate quantity of formula to be issued. See CMS User Guide for Replacing WIC Foods. For handwritten food Instruments refer to WIC Policies for Prescribing Food Packages, Policy Regarding the Return and Reissuance of Formula for Infants and Food Package III in the WIC Clinical Section.

C. Replacing Food instruments Lost, Stolen, Damaged or Destroyed

- 1. Document on the CH-3A in the participant's medical record that food instruments were reported lost, stolen, or destroyed, or damaged food instruments were returned and the reason for replacement. See ["LOST, STOLEN AND DESTROYED FOOD INSTRUMENTS"](#) in this section.
- 2. Void lost, stolen and destroyed food instrument with the void reason.
- 3. If the replacement is done on a day other than the original issuance, report an issuance code of WO209 on the Encounter Entry Screen.
- 4. See the CMS User Guide for Replacing WIC Foods. For handwritten food Instruments refer to WIC Policies for Prescribing Food Packages, Policy Regarding the Return and Reissuance of Formula for Infants and Food Package III in the WIC Clinical Section.

- D. Other situations may occur after food instruments have been issued that will affect the participant receiving the food, such as removal of a child from the home into foster care or when another parent/caretaker other than the one who received the food instruments obtains custody of a child. These situations will be handled on an individual basis with consideration of the specific circumstances.

The following general guidance applies:

- 1. Using best judgment, determine food instruments to be replaced.
- 2. Void the remaining foods from the original issuance or the handwritten food instruments.
- 3. Issue the appropriate food items/handwritten food instruments.
- 4. For handwritten food instruments: Send a letter to the person who originally received the food instruments informing them to not cash the voided food instruments.

## RETURNED FORMULA REQUIREMENTS

1. Formula that was purchased and not used or is no longer appropriate for the participant must be returned to the site.
2. An inventory of all returned formula must be maintained by each site.
3. The inventory must include:
  - a. Date the formula was received in the site.
  - b. Name of the formula.
  - c. Can size.
  - d. Quantity of formula received.
  - e. Type of formula (powdered, concentrate, ready-to-feed)
  - f. Expiration date.
4. When formula is issued or dispensed, the inventory must include:
  - a. Date the formula is dispensed.
  - b. Formula dispensed.
  - c. Quantity dispensed.
  - d. Who formula was issued to or how it was dispensed.
  - e. Initials of the staff dispensing the formula.
5. There must be an inventory form to document the required information. A sample inventory form is included in this section in [Forms and Food Instruments](#).
6. All returned formula must be kept secure and should be stored in one location.
7. Use of returned WIC formula is restricted. Formula returned to the clinic can only be provided to WIC participants with extenuating circumstances, given to another WIC agency that needs the formula for a participant, donated to a charitable organization (food bank, etc.), or disposed of due to being past the expiration date. The inventory must document the specific disposition of each can of formula.
8. When formula is returned, the quantity returned and the reason it is returned must be documented in the participant's medical record.
9. When formula in inventory is given to a WIC participant, the quantity and type of formula must be documented in the participant's medical record.
10. Since formula has an expiration date, ensure expired formula is not provided to participants or donated. Formula past the expiration date must be disposed of.

## MAILING/UPLOADING OF BENEFITS

The WIC Program does not advocate routine mailing of food instruments or uploading of EBT benefits to the participant's account. However, there may be instances when this is desirable and/or necessary.

1. Mailing of food instruments or uploading of EBT benefits on an individual participant basis shall be permitted if:
  - a. The participant/caretaker cannot come to clinic due to:
    - (1) Disability
    - (2) Illness
    - (3) Nearness to termination of pregnancy
    - (4) Inclement weather conditions
    - (5) Distances to travel
    - (6) High cost of travel
    - (7) Inability to get to the agency during business hours
    - (8) Other
  - b. It is the health professional's discretion as to how many months of are provided (1, 2 or 3 months), but the number of months should take into consideration other service needs and/or appointments.
2. Mailing of food instruments or uploading of EBT benefits on a site/clinic wide basis is permitted if the site/clinic's computer system is not operational for an extended period of time; i.e. several hours.
3. Documentation requirements:
  - a. The reason for mailing the food instruments or uploading the EBT benefits , the month(s) of issuance and the date the food instruments were mailed or benefits were uploaded must be documented in the patient's medical record.
  - b. An entry that the handwritten food instruments were mailed must be made on the food instrument/cash value benefit stub that they were mailed.
  - c. Proof of identity should be coded as "other," code 50.

## VOIDING

Voiding is the process to account for a food benefit issuance that is not usable. A benefit may be unusable for a number of reasons, such as a food package that is no longer appropriate, a handwritten food instrument or EBT card that is lost or stolen, or damaged. Voiding ensures accountability and provides accurate participation counts.

### A. General Policies

1. Any handwritten food instrument/ number that is unusable must be voided.
2. Handwritten food instruments or food benefits must be voided at the time they are determined to be unusable.
3. For voiding of EBT benefits see the CMS Users Manual Void Benefits.
4. Any issued handwritten food instrument returned unused by the participant must be voided.
5. Each site must have a void stamp. This stamp is available from the State WIC Office.
6. Voided handwritten food instruments must be submitted weekly to the State WIC Office for processing using the Local Agency Batch Control Form. See ["FORMS AND FOOD INSTRUMENTS"](#) in this section.
7. Each food instrument benefit number assigned to a site must either be in the site inventory as unused, be issued with a signature on the food instrument stub verifying receipt, or be voided.
8. The situation surrounding the voiding of food instruments or food benefits must be documented in the participant's medical record.
9. For voiding for Handwritten Food Instruments:
  - a. Document the situation in the participant's medical record.
  - b. Stamp the actual food instrument with the void stamp if the food instrument is available. Do not stamp on or over the MICR line (line of number at the bottom of the food instrument).
  - c. Void handwritten food instruments in the CMS system by:
    - (1) On Portal, click FI/Card Range Search.
    - (2) On Food Instrument Ranges, select clinic from the dropdown if not set, select bank account number, and click Search.
    - (3) Search results return at bottom of page. Click the edit icon (pencil and paper) for the food instrument range.
    - (4) Food Instrument Block Detail page returns. To find the FI number to void, search for the specific number by entering the FI number in the Starting FI field and click Search or scroll through the list of numbers.
    - (5) In Status/Action column for the specific food instrument number, click the dropdown and select Void.
    - (6) The Void Date/Reason fields open.
    - (7) Enter the void date and select the void reason from the dropdown list.
    - (8) Click Save.
    - (9) If information is accepted, a "Saved" message appears at the bottom of the page. A green check also appears at the end of the row.

### C. Submitting Voided Handwritten Food instruments

1. Ensure all unusable/invalid food instruments have been stamped with the Void stamp.
2. Send all voided food instruments to the State WIC Office once a week with a WIC-31 (Batch Control form). The agency/site should make a copy of the WIC-31 for documentation. See ["FORMS AND FOOD INSTRUMENTS"](#) in this section. Do not staple or spindle food instruments.

## **LOST, STOLEN, DAMAGED OR DESTROYED FOOD INSTRUMENTS**

- A. Food instruments mailed from the State WIC Office and never received by the agency/site:
  - 1. If ordered food instruments have not been received in a reasonable time, contact the State WIC Office or the WIC Help Desk.
  - 2. The State WIC Office will investigate and advise the agency/site of appropriate action.
- B. Food instruments lost, stolen, damaged or destroyed at the agency/site (stolen from agency/site, water/flood damage, fire, etc.):
  - 1. Identify and prepare a list of all food instrument numbers lost, stolen, damaged or destroyed.
  - 2. Contact the State WIC Office or the WIC Help Desk immediately and report the following:
    - a. The situation (lost, stolen, damaged, destroyed).
    - b. Serial numbers of all affected food instruments.
    - c. Total number of affected food instruments.
  - 3. For lost, stolen or destroyed food instruments, enter the appropriate void code.
  - 4. If food instruments reported lost or stolen are located, immediately contact the State WIC Office or WIC Help Desk. The State WIC Office will advise the agency/site of necessary action.
- C. eWIC Cards: lost, stolen, damaged or destroyed after issuance to a participant.
  - 1. Void card.
  - 2. Determine which benefits have been redeemed and the reminding benefits that are still valid.
  - 3. Reissue card and benefits.
- D. Handwritten food instruments lost, stolen, damaged or destroyed after issuance to a participant and prior to redemption:
  - a. Determine the first day to use on the lost or stolen food instrument(s)/cash value benefit(s).
    - (1) Food instruments with a current first day to use can be replaced after a reasonable attempt to verify the food instrument(s)/cash value benefit(s) has not been redeemed. Redeemed food instruments can be reviewed in the WIC Food Instrument/cash value benefit Image Lookup.
    - (2) Food instruments with a first day to use in the future can be replaced following procedures in this section.
  - b. Document report of lost, stolen or destroyed food instrument(s) on the CH-3A in the participant's medical record.
  - c. Void the specific food instrument in the system and on the food instrument stub.
  - d. Reissue appropriate number of food instruments. See ["REPLACING FOOD INSTRUMENTS"](#) in this section.
  - e. Inform the participant/caretaker of the following:
    - (1) If the food instrument(s) is found, it must be returned to the agency/site, and,
    - (2) Cashing a food instrument(s) reported lost or stolen or destroyed that is replaced is considered abuse and could result in suspension or termination from the Program. See WIC CERTIFICATION AND MANAGEMENT section, ["PARTICIPANT ABUSE"](#).

## **AUTOMATIC TERMINATIONS**

The System performs automatic terminations in specific situations. Automatic Terminations are processed on a weekly basis.

1. Automatic terminations are performed for:
  - a. All patients who are categorically ineligible (women that are six (6) months postpartum, breastfeeding women that are one (1) year from infant's birth and children that are five (5) years old).
  - b. All enrollees that have not received food instruments within two (2) months from expiration date (last day to use) of last set of food instruments issued.
2. A termination is done when the Action Due Date is earlier than or the same as the date of weekly automatic terminations is processed.
3. The weekly process produces:
  - a. A "T" label for each participant for placement in each medical record; and
  - b. A report listing participants that were terminated. .
4. Participants whose next action due is termination receive all benefits due with a first day to use prior to the termination due date.
5. Other terminations must be done by clinic staff. The reason for termination must be documented in the participant's medical record.

## EMERGENCY SITUATIONS

Emergency situations occur from time to time due to natural disasters such as ice storms, flooding, etc. Participants will report that they have lost WIC food instruments and/or WIC foods due to the weather situations. The following procedures apply to these situations:

1. eWIC Card Has Been Destroyed
  - a. Void the card and reissue the unredeemed benefits for the current month and for up to 2 months in the future, as appropriate.
  - b. Follow the guidance in the CMS-EBT Manual for Food Package Replacement and Voiding Benefits.
2. Handwritten Food instruments for an entire month have been destroyed:
  - a. An entire month of unexpired WIC food instruments that have been destroyed can be replaced for all women, infants and children.
  - b. Refer to the procedures in [“LOST, STOLEN AND DESTROYED FOOD INSTRUMENTS”](#) in this section for guidance in voiding the food instruments.
  - c. Replace all of the food instruments. When replacing an infant’s food package, consider the possible need for issuance of Ready-to-Feed formula in either the 32 oz. or 8 oz. size. The health professional must prescribe the package based upon the individual needs (e.g., contaminated water supply and refrigeration) of the infant. Refer to the Clinical section WIC Policies for Prescribing Food instruments.
2. Handwritten Food instruments for a partial month have been destroyed:
  - a. A partial month of unexpired WIC food instruments that have been destroyed can be replaced for all women, infants and children.
  - b. Review the benefits remaining to determine which foods need to be replaced, Refer to the procedures in [“LOST, STOLEN AND DESTROYED FOOD INSTRUMENTS”](#) in this section for guidance in voiding the food instruments.
  - c. Replace all of the food instruments. When replacing an infant’s food package, consider the possible need for issuance of Ready-to-Feed formula in either the 32 oz. or 8 oz. size. The health professional must prescribe the food package based upon the individual needs (e.g., contaminated water supply and refrigeration) of the infant.
3. Foods that have been purchased and the foods have been destroyed or contaminated.
  - a. WIC foods that have been destroyed or damaged due to weather conditions cannot be replaced. The Federal Regulations do not allow for over issuance of the food package.
  1. All women and children in this situation should be directed to the local food distribution centers that are providing food.
4. Sanitation is a major concern to prevent outbreaks of illness during times of emergencies. Contact the Food Safety Branch for assistance regarding food safety issues.
5. Other situations will occur during times of emergencies, contact the State WIC Office for guidance.

## EMERGENCY SITUATIONS

Emergency Situations can occur whenever WIC benefits or the WIC certification system is unavailable to a Participant, Clinic or Retailer for use to issue or redeem WIC benefits.

1. **If a KY WIC clinic** is unable to access the KY WIC certification system or issue WIC benefits because of natural disaster or prolonged system outage the clinic should follow their county's Health Department disaster plan that shall include plans for issuing KY WIC handwritten food instruments until a viable plan to access to the WIC system is available. Each clinic in conjunction with their Health Clinic shall keep on file accessible for review by KY WIC Program Operations Personnel a disaster/prolonged outage plan to ensure continued access to KY WIC benefits. A clinic must have a plan to assure an adequate supply of handwritten food instruments are available to issue at least one month of benefits to those seeking KY WIC issuance. The plan shall include a method to determine an amount of ready-feed formula to provide to participants when potable water is not available. It might also include a plan to issue KY WIC from neighboring counties KY WIC clinics or mobile Health clinics that have access to the KY WIC online system. A plan should also contain continual contact with the KY WIC Helpdesk for any assistance needed. The helpdesk number is accessible 24 hours a day at 877-597-0367.
2. **If a KY WIC participant** is unable to access benefits with the Food Instruments provided because of a natural disaster or a prolonged system down issue they should be instructed to contact first the county from which benefits have been provided or if their issuing county is unavailable the KY WIC Helpdesk for further instructions to get access to KY WIC benefits. A clinic should follow replacement procedures contained within this section.
3. **If a KY WIC Retailer** is unable to accept EWIC benefits because of a natural disaster or prolonged system outage they should be instructed to contact KY WIC's EBT processor Custom Data Processing (CDP) at 866-237-4814. Or call the WIC Help Desk Number for further instructions

## MONTHLY COUNT OF UNUSED FOOD INSTRUMENTS

|              |  |
|--------------|--|
| Purpose      | To account for all unused handwritten food instruments in inventory.   |
| When To Use  | Monthly for physical inventory.  |
| Instructions | <ol style="list-style-type: none"><li>1. Verify the number of food instruments is correct by physically counting all food instruments on hand.</li><li>2. All food instruments must be accounted for.</li><li>3. Discrepancies must be reported to the State WIC Office.</li></ol> <p>NOTE: Copy inventory form as needed.</p> |
| Retention    | Maintain documentation of monthly physical inventory for one (1) year.   |

## MONTHLY COUNT OF UNUSED FOOD INSTRUMENTS

**Purpose:** To account for all unused food instruments in inventory. Copy this form as needed.

**Instructions:**

- Verify the number of food instruments in this inventory is correct by physically counting all food instruments on hand.
- All food instruments must be accounted for.
- Discrepancies must be reported to the State WIC Office.
- Attach a copy of the screen to this form for documentation.

| Type of Food Instrument        | # Per Food Instrument Range | # Per Physical Count | # Difference | Action Taken |
|--------------------------------|-----------------------------|----------------------|--------------|--------------|
| Handwritten – Infant           |                             |                      |              |              |
| Handwritten – Woman/Child      |                             |                      |              |              |
| Handwritten Cash Value Benefit |                             |                      |              |              |
|                                |                             |                      |              |              |

## WIC ISSUANCE SHEET (WIC-52)

|              |  |
|--------------|--|
| Purpose      | Used to retain and organize handwritten food instrument stubs in the medical record to document receipt by the participant, caretaker, or proxy.               |
| When To Use  | Each time handwritten food instruments are issued.   |
| Instructions | Remove the tape strips to expose adhesive and apply food instrument/cash value benefit stubs to the sheet. Remove strips in numerical order to fill the sheet. |
| Disposition  | Retained in the medical record.  |
| Retention    | Per medical record requirements. See the AR for retention.   |
| Ordering     | Order on CDS 880 – Want to Order WIC Forms and Supplies.   |

## HANDWRITTEN FOOD INSTRUMENTS

|              |  |
|--------------|--|
| Purpose      | To provide supplemental food to eligible participants.   |
| When To Use  | Use for issuance to participants.  |
| Instructions | <p>For specific information, refer to Food Instrument Issuance.</p> <p>Each issued food instrument must have the following entered by hand.</p> <ol style="list-style-type: none"> <li>1. "First day to use" and "Last day to use." Must match household issue date.</li> <li>2. Participant name. ID number field is completed with "X"s.</li> <li>3. Agency and site number.</li> <li>4. The prescribed food package.</li> <li>5. Agency Stamp.</li> </ol> <p>Each stub for issued food instruments must have the following done by hand or printed by the system:</p> <ol style="list-style-type: none"> <li>1. Date issuance is done.</li> <li>2. Participant name and ID number.</li> <li>3. Valid dates (first day to use and last day to use).</li> <li>4. Serial number(s) issued.</li> <li>5. Initials of issuing staff.</li> <li>6. Code for the type of proof of identity presented by the person picking up the food instrument(s)/cash value benefit(s).</li> <li>7. Signature of person receiving /cash value benefit(s).</li> </ol> |
| Disposition  | <p>Completed food instruments are given to participant.</p> <p>Completed stub must be filed in the medical record on the WIC-52.</p> <p>Handwritten and preprinted food instrument/cash value benefit issuance must be posted to the system.</p> <p>NCR copy is used for posting issuance.</p>   |
| Retention    | <p>Original stubs are retained per medical records requirements.</p> <p>NCR copy is retained for six (6) months.</p>   |
| Ordering     | Order through CDS 880 screen – Want to Order Food Instrument/Cash Value Benefit Types.   |

## **WIC FOOD INSTRUMENT/CASH VALUE BENEFIT IMAGE LOOKUP SYSTEM**

This screen is accessed to view images (front and back) of cashed/redeemed WIC food instruments. Food instruments may be looked up by date, number, amount, HLS (agency and/or site), vendor number or participant identification number.

Accessed on the internet at <https://webapp.cdp-ky.com/wicimage>. This is a web based application.

### **INSTRUCTIONS FOR WIC IMAGE LOOKUP**

1. Enter user name.
2. Enter password.
3. Click "okay" or press enter key.
4. Enter information to sort, i.e. enter food instrument/cash value benefit number in FI box. Information in one field only is required for a search.
5. Click "Go" or press enter key.
6. Click on the magnifying glass to the left of the food instrument/cash value benefit to be viewed.
7. When the food instrument/cash value benefit image appears, the following options are available:
  - a. View food instrument/cash value benefit only
  - b. Print food instrument/cash value benefit
  - c. Email food instrument/cash value benefit
    - i. On the status bar that pops up inside the image, press the envelope icon.
    - ii. Select sizing of the image and click OK.
    - iii. Type in the email address or retrieve from Global listing.
    - iv. Press SEND.
  - d. Save to desktop. Use this only if you want to save a copy of the image on your desktop.

## AUTO DIALER DOWNLOAD

To download phone messages for dialing reminder messages via the auto dialer follow these steps:

1. Go to the Custom Data WIC Bridge on the computer where the auto dialer card is installed.
2. Logon.
3. Type this function "POII 30 <HID/LOC> <8 digit date to be dialed> all {transmit}.
4. Message "New phone file has been created" will appear in the title bar when completed.
5. Click on the Desktop
6. Double click on the Template.bat
7. Phone list is transferred and auto dialer will call those recipients downloaded overnight.
8. A report will be produced which indicates:
  - Date dialed
  - Time Dial
  - Result (Busy, No answer, Operator or Answering Machine)
  - Phone Number
  - Appointment Date
  - First Name
  - Last Name

See Patient Registration, Form CH-5 and CH-5B in the Patient and Community Health Services Reporting and Billing Section concerning No Home Contact and Patient Consent for being contacted by the autodialer.

### 7 Day Late Benefit Issuance List

|                            |  |
|----------------------------|--|
| Report Title               | 7 Day Late Benefit Issuance List   |
| Report Number              | 274  |
| Frequency                  | Weekly (Available Thursday)  |
| Distribution               | Obtain electronically through clinic site E-reports folder.  |
| Description                | A detailed listing of all eligible enrollees that have not received benefits in the last 7 days. Based on the benefit <i>ending</i> date of the FV date of last benefit issuance, the system calculates 7 days late from the report date and participants appear on the 7 Day Late Benefit Issuance List.  |
| Actions to be Taken        | This report is to be used to contact non-participants to urge their participation. Pull the participant's chart and check issuance against the 7 Day Late Benefit Issuance List. Print the mailing label and place on the Reminder Postcard (WIC-51) and mail to the participant. Document that postcard was mailed in the participant's medical record. |
| Explanation of Report      | <ol style="list-style-type: none"> <li>1. HH Number is the Household number</li> <li>2. Participant ID is the participant's identification number</li> <li>3. Participant name is the participant's name</li> <li>4. FV Date of Last Benefit Issuance is the first valid date of the last benefit that was issued to the participant.</li> </ol>         |
| Retention/ Disposal Period | If printed, shred or burn after report is worked.  |

TYPE DEFINITIONS: 1 = WOMEN/CHILDREN 2 = INFANTS 3 = AUTOMATED

REPORT TITLE: Actions Due Listing

REPORT NUMBER: 562

FREQUENCY: Weekly

DISTRIBUTION: Automatically printed overnight or obtained electronically through E-Reports - Site

DESCRIPTION: This report lists participants according to the week their action is due.

This report indicates participants with actions due this week and any previous actions that have not been done. This list must be worked on a weekly basis to decrease an inactive enrollment. Actions overdue indicate an inactive caseload which lowers the rate of participation to enrollment. This report is an aid for clinic schedules for recertification.

ACTION TO BE TAKEN: Investigate overdue actions  
Perform all actions due in a timely manner.

RETENTION/ DISPOSAL PERIOD: If printed, destroy by shredding or burning after receipt of next report.

## Automatic Terminations

|                           |   |
|---------------------------|---|
| Report Title              | Automatic Terminations  |
| Report Number             | 587   |
| Frequency                 | Weekly (Available Thursday)   |
| Distribution              | Obtain electronically through clinic site E-reports folder.   |
| Description               | The report is a listing of all participants whose next actions due is termination and the action date is on or before the report date <b>or</b> those who have not received food benefit issuance for 2 consecutive months (60 days) from expiration date (last day to use) of last set of food instruments issued. The reason for termination is listed on the report as non-participation or categorically ineligible.  |
| Actions to be Taken       | Report should be used to document the termination of the participant. Print the automatic termination label and pull the participant's chart. Place the automatic termination label on the participant's service record (CH-3A).  |
| Explanation of Report     | <ol style="list-style-type: none"> <li>1. <b>Patient #</b> - Patient's identification number.</li> <li>2. <b>Local User ID</b> - Clinics that assign chart numbers.</li> <li>3. <b>Participant Name</b> - Name of participant.</li> <li>4. <b>Birth Date</b> - Participant's date of birth.</li> <li>5. <b>Reason</b> - Reason for the automatic termination.</li> <li>6. <b>Status</b> - Status of the participant.</li> <li>7. <b>Last Issuance</b> - First valid date of the last food benefits issued to the participant.</li> <li>8. <b>Total Terminations</b> - Total number of participants automatically terminated.</li> </ol> |
| Retention/Disposal Period | If printed, destroy by shredding or burning after receipt of next report.   |

## Automatic Terminations Labels

|                               |   |
|-------------------------------|---|
| Report Title                  | Labels for automatic terminations   |
| Report Number                 | Report 588  |
| Frequency                     | Weekly (available Thursday)   |
| Distribution                  | Obtain electronically through clinic site E-reports folder.   |
| Description                   | Label listing of all participants that have been automatically terminated due to non-participation or categorically ineligible. Labels are generated based on names that appear on the Automatic Terminations report. |
| Actions to be Taken           | Set printer properties compatible with label printer. Affix label to participant's service record (CH-3A).  |
| Explanation of Report         | Label with participant's information that has been automatically terminated.  |
| Retention/<br>Disposal Period | Label is retained in the participant's service record (CH-3a).  |

| REPORT TITLE:                  | Possible Dual Participation Between the WIC Program and CSFP  |
| REPORT NUMBER:                 | 1922  |
| FREQUENCY:                     | Monthly   |
| DISTRIBUTION:                  | Automatically Printed Overnight or obtained electronically through E-Reports - WIC Coordinators. Report is produced only if there are participant matches.  |
| DESCRIPTION:                   | This report lists potential dual participants between WIC and CSFP. In creating this report, the system matches on four (4) items out of nine (9). If any of the four (4) match, the person's name will appear as a possible dual participant. The items include: participant's ID number, participant's last name, first name and middle initial, date of birth, sex, race, street address and city/town. The appearance of a person's name on the dual participation report may not mean that they are dual participants. |
| ACTION TO BE TAKEN:            | <ol style="list-style-type: none"> <li>1. Review all names appearing on this report.</li> <li>2. Investigate and take appropriate action as outlined in <a href="#">Participant Abuse</a> in the WIC Section of the Administrative Reference.</li> <li>3. Document action taken.</li> </ol>   |
| EXPLANATION OF REPORT:         | <ol style="list-style-type: none"> <li>1. WIC HID/LOC/S is the WIC Program local agency/site identification number where the participant is receiving food instruments/cash value benefits.</li> <li>2. CSFP is the Commodity Supplemental Feeding Program.</li> <li>3. First Valid Date and CSFP Dist Date are the first valid dates of the most recent WIC issuance and CSFP Dist Date is the most recent distribution of CSFP commodities.</li> </ol>  |

### WIC Participation by Priority/Status

|                            |  |
|----------------------------|--|
| Report Title               | WIC Participation Report By Priority/Status  |
| Report Number              | 1930   |
| Frequency                  | Monthly (1 <sup>st</sup> Thursday after reconciliation)  |
| Distribution               | Obtain electronically through clinic site E-reports folder.  |
| Description                | The participation report is the number of participants reported as receiving food benefits for the reporting period. Participation is reported by priority and status. If WIC priority and/or status is not known, the participant will be assigned to the “unknown” category. The report is produced in two (2) phases: provisional and final.  |
| Actions to be Taken        | This report is to be used for caseload management of active participation.   |
| Explanation of Report      | <p><b>Provisional</b> – This report is produced the month following the report month. (Example: Data for the month of October is produced in November and is the provisional report.)</p> <p><b>Final</b> - This report is produced two (2) months following the report month. (Example: Data captured on the provisional report for October is again produced in December for the October reporting period. This data is the Final participation report for the October reporting period.)</p> <ol style="list-style-type: none"> <li>1. <b>Reporting period</b> – timeframe for which participation is being reported.</li> <li>2. <b>HID/Clinic</b> – identification of clinic.</li> <li>3. <b>Priority Assigned</b> – highest priority assigned to participant based on risk assessment.</li> <li>4. <b>Status/Category</b> – Status/category of the WIC participant.</li> <li>5. <b>Status Assigned</b> – status assigned to the category of the WIC participant. .</li> <li>6. <b>Priority total</b> – total of each column for all categories/statuses.</li> <li>7. <b>Totals for site</b>- total number of participants receiving food benefits.</li> </ol> <p>*Note: Districts and multiple-site agencies receive participation reports by site with a cumulative total for the district.</p> |
| Retention/ Disposal Period | If printed, shred or burn after report is worked.  |

## INSTRUCTIONS FOR E-REPORTS

E-Reports allow local health departments to access their reports in an electronic format.

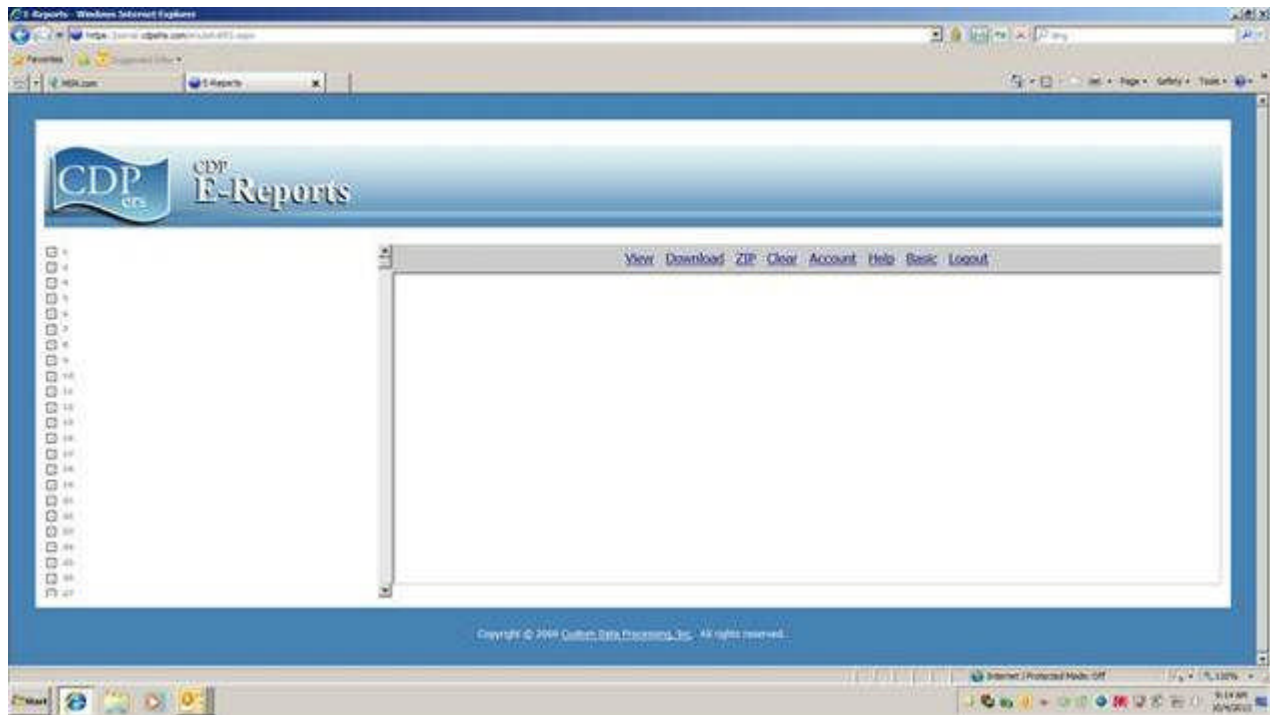

1. To sign into the reports system:

- a. Enter user name as KY # and unique password assigned by CDP, Inc.
- b. Click BASIC button.
- c. Click OK button.

2. On the CDP E-Reports Screen:

- a. Scroll and locate site number.
- b. Verify the month and click.
- c. On displayed reports, choose the desired report and click DOWNLOAD.

## WEB-BASED SYSTEMS/APPLICATIONS/E-REPORTS

Web-based programs/applications/E-reports are secure and are only accessible by authorized persons. To access the Web-based programs/applications/E-reports, a user must:

1. Be employed by a local health department.
2. Be assigned a KY number.
3. In order to access Web-based programs/applications/reports, user will in some instances:
  - a. Need to have VPN Contivity Client.
  - b. Complete the CDP – Report Server – WIC User Authorization request form for local agency staff requesting access to e-reports for the WIC Program. See [CDP – Report Server – WIC User Authorization Request](#) form in SYSTEM REPORTS.
    - i. If access is granted the form will be forwarded to CDP.
    - ii. The user will then be contacted by CDP via e-mail with an attached excel document with active links to certain WIC folders.  
(ex. [\\172.25.2.178\cdpreports\site000\wicky](#) )
  - c. If the user isn't on the CHSDPHLHD domain, CDP will create a username and password .
4. For further help, contact the WIC Help Desk at 877-597-0367.
